## Website Update Live

<https://www.boisechristianhomes.org/> has been updated to include more information and resources. The editing and SEO process is still ongoing. The goal is to have a digital photo album that includes historical photos as well as photos of current and past residents, informative articles to read, and an easier application process. We've also redesigned the donation page to make it much easier.

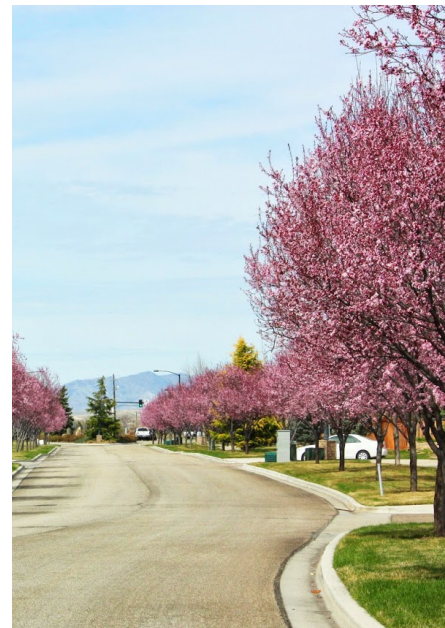

## **Annual Meeting**

Boise Christian Homes has an annual meeting coming up. It will be held at the Boise Christian Retirement Village on Saturday May 6th at 10am in the Dining Hall. All members welcome.

## **Spring Finally Here**

Spring in Boise, Idaho is a season of renewal, transformation, and beauty. The city comes alive with vibrant colors, pleasant temperatures, and more opportunities to enjoy being outdoors. One of the most soul-refreshing sights in Boise is the blossoming of the trees. There are so many flowering trees, which burst into vibrant shades of pink and white, creating a picturesque scene. These trees are a great reminder God's love for us and all that we have to be thankful for. Let's all pray for God to bless this Spring and for it to be a season of beautiful renewal for each of us.
